## Choosing Your Confirmation Verse

Your Confirmation Verse is a special passage from God's Word that serves as a constant reminder of God's help and promise to you as his child. It is a verse that can guide your life as you go into high school and throughout adulthood. It will be spoken to you on your Confirmation Day.

Each student is invited to choose their verse, based on the following criteria. It should be one verse (in some cases two may be fitting) that states a promise of God. It should speak Gospel, rather than Law. For example, "You shall not steal" is a fine verse to live your life by, but it does not bring you any comfort in your most difficult and trying days. Choose a verse that on your very worst days will bring you an uplifting word of encouragement, such as "The Lord is my Shepherd."

Below are some **suggested Bible passages** (These are great confirmation verses, but if you have another verse you would like to use, just run it by Pastor first).
