

Faith at Home

Readings: Ephesians 5:22-33; Mark 2:18-22

The focus passage for this week is *Ephesians 5:22-33*. Read through that passage of the Bible, and then work through the questions and then the challenge for the week, learning what the church is throughout this sermon series.

1. This passage of Ephesians is focusing on relationships. What challenges have you had in the relationships in your life this week?
2. Relationships require sacrifice. Christ died for the Church, sacrificing His life. He asks that we follow Him in obedience. List things in your life that you can submit to Christ in obedience to Him and for the sake of the Church.

Weekly challenge:

Remember, it's not the things that we do that make us the Bride of Christ. It is what He has done that has made us His forever. This week, make it a priority every day to pray that God would help you submit in obedience to Him in these areas: Finances, your thoughts, the things that are temptations in your life, the relationships with your family, your spouse, your children, your brothers and sisters, your job, and your time.

Prayer: Heavenly Father, we thank you for restoring our relationship with you. We thank you for making us holy through the washing and the word. Help us to love one another as you have loved us. In your name we pray. Amen.
