Our Savior Lutheran Church

Memorial Garden

Lansing, Michigan

Overview

Statement of Faith: We believe that Jesus, the Son of God, died on a cross and rose from the dead to overcome the power of sin and death. In John 11:25 Jesus said, "I am the resurrection and the life. The one who believes in me will live, even though they die." The free gift of eternal life is ours by grace, through faith in Jesus Christ.

Purpose of the Garden: The Memorial Garden is a place for personal reflection, prayer and meditation. The committal area is for the burial of ashes of Our Savior members, their families and Christian friends of Our Savior as determined by the Senior Pastor. Cremains are placed in an unmarked location during a committal service conducted by a pastor of Our Savior Lutheran Church. The cremains become a permanent part of the Memorial Garden soil. (If desired, an authorized, biodegradable container, may be used to bury the cremains.)

Remembrance: The name, date of birth, and date of death will be engraved on a plaque and added to a special Memorial Garden display, near the entrance to Our Savior Lutheran Church. By signing a consent form, additional personal information may be added to the digital Memorial Garden Registry on the website maintained by the church. No individual markers or remembrances will be placed in the garden.

Funding: Individuals and groups will have the opportunity to donate to the Our Savior Memorial Garden Fund for purchase of the items selected for the creation of the Memorial Garden. Ongoing memorial garden burial fees, directed through the Memorial Garden Fund, will support future costs associated with garden maintenance.

Fees: A burial fee of \$500 for OSL members will cover the cost of burial of the cremains, personal information inscription on the plaque, and future maintenance of the Memorial Garden. The burial fee for non-OSL members is \$750.
