"It's super convenient. All I need to go shopping is my phone—I don't even need credit cards or my purse. I'm going to pay for these things anyway, I love being able to use gift cards so we get something in return."

Step 1: Get your enrollment code

To sign up and tie your earnings to the correct fundraising program, you will be asked for your organization's unique enrollment code. If you don't have this, you can request it from your program's coordinator.

In addition to the enrollment code, you only need a few more details to sign up, including:

- First and last name

Step 2: Sign up online

1. Complete the quick sign-up form either on our website or mobile app

- Download the RaiseRight app

- Visit [RaiseRight.com/enroll](https://www.RaiseRight.com/enroll)

2. Select "Join a Program"

3. Enter your organization's unique enrollment code to tie your earnings to your organization

4. Complete the fields to create your account

5. Enter and verify your phone number for 2-step verification (2-step verification protects your account if you forget your password or someone is using your account without your permission)

Congratulations! You've created your account.

Step 3: Set up online payment

There are 3 options to pay that may be available to you, based on how your organization has set up its program. Confirm accepted forms of payment with your coordinator if you have any questions or if you don't see an option available to you.

1. Pay online with your bank account

- From your Account page, choose Settings > Payment Options > Add Bank Account
- Follow the steps to automatically link your bank account
- There is a \$.15 fee on each transaction

This is the most popular & secure way to pay for gift cards! Get your eGift cards and reloaded funds instantly.

2. Pay online with your credit card

- Visa, Mastercard, and Discover accepted
- Option to save your credit card at checkout for future purchases
- There is a 2.6% fee on each transaction

A convenient way to pay, while still having instant access to eGift cards and reloaded funds.

3. Pay your organization directly

- Pay your program coordinator with a check or cash
- Orders using this payment method must be marked as paid by your coordinator before they are fulfilled
- Please confirm your coordinator accepts this payment option before placing your option

May not be available for your organization. Not recommended for purchase of eGift cards and reloaded funds due to delay from payment confirmation.
