In this discussion-based classroom forum, we will be sharing insights about the joys and danger technology offers. In addition, there will be conversation about cell phone privileges of our kids and cell phone agreements between parents and kids. This class is for parents and students. You do not have to be a member of Our Savior Lutheran Church to join us! This will be a great opportunity for the OSL family life staff and parents to share strategies with each other and celebrate successes in appropriate use of technology within the home.
